To whom it may concern

I understand that Amira Hussain wishes to access legal aid for a family dispute as a victim of domestic abuse. For this reason, I have been asked to provide a letter in accordance with regulation 33 and Schedule 1 of the Civil Legal Aid (Procedure) Regulations 2012 (as amended).

I can confirm that our organisation is situated in the United Kingdom and has been operating for an uninterrupted period of six months or more.

I can confirm that we have provided Zayn Mensah, the child of Amira Hussain, with support in relation to Zayn's needs as a victim, or person at risk, of domestic abuse.

In my reasonable professional judgement Zayn Mensah is, or is at risk of being, a victim of domestic abuse.

The matters I have relied upon to support that judgement are: Amira told us that Daniel restricted her access to money, stopped her from working and called her worthless in front of Zayn.

We have provided Zayn Mensah with the following support: safety planning, a referral to have new locks fitted, and support to report incidents to the police.

Zayn needed this support because Zayn had witnessed abuse at home and was showing signs of distress.
