Re: Jane Doe

To whom it may concern

I understand that Jane Doe wishes to access legal aid for a family dispute as a victim of domestic violence. For this reason I have been asked to provide a letter in accordance with regulation 33 of the Civil Legal Aid (Procedure) Regulations 2012.

The applicant has confirmed that the condition that she presented to me with today was caused by domestic abuse.

I can confirm that I have examined Jane Doe and in my reasonable professional judgement, the condition that the applicant has might be consistent with domestic abuse.

I understand that this evidence is only required for a decision on whether or not to grant legal aid – it is not designed to provide evidence of domestic abuse for use in court.

Yours faithfully,
